Diagram

Pattern (multiple of 1 + 1 turning ch)

If you are joining to the other squares, then make sure that the foundation row is 8 inches. If your row 0 is smaller than 8 inches in length, then add multiples of 1 chain until it makes 8 inches in width.

[ROW 0]. Chain 25 + 1ch (for turning) – see note above for width

[ROW 1]. Double Crochet (dc) in 2nd chain from hook and in each ch across [25 approx.]

- To prevent your sides going wonky mark the 1st and last st using a StM and move StM with each row increase.

[ROW 2]. Ch1, turn work, 1 dc in to each st across [25 approx.]

[ROW 3]. Repeat row 2 until the work is approximately 8 inches in height – do not tie off

[ROW 4]. **Border:** 3 dc into corner st, 1 dc along edge (evenly spaced along edges) – repeat around the square till 4 sides complete. Slst to join, tie off and weave in end.
