- **Slst** – Slipstitch **StM** – Stitch Marker
- **Ch** – chain
- **tr** – treble crochet **dc** – double crochet

Diagram

Pattern (multiple of 2 + 3 ch for turning)

The pattern is made from a repeat of 2 st, so your foundation row must be multiple of 1 + 3 turning chains.

If you are joining to the other squares, then make sure that the foundation row is 8 inches. If your row 0 is smaller than 8 inches in length, then add multiples of 1 chain until it makes 8 inches in width, then add 3 ch to turn.

This is a dual sided pattern so there is a no wrong or right side.

**[ROW 1].** Chain 24 + 3ch (for turning) – see note above for width

**[ROW 2].** 1 tr into 3<sup>rd</sup> ch from hook, then skip the next st, [dc+tr] into next st – repeat from \* across with 1tr in to the last st

- a. To prevent your sides going wonky add a StM into the top of the ch2 at the start of each row to remind you that this is the last st of the row.

**[ROW 3].** Ch2 then tr into base of ch2, skip next st, [dc + tr] into next st – repeat from \* across with 1 tr into the last st.

**[ROW 4].** Repeat row 3 until the piece measures 8 inches in height

Add a border of 1 double crochet (dc) evenly spaces around the edges with 3 dc in the corner stitches.
